Hi Tom. Sorry I need some reminding. I'm not sure about your reference to EPM or EMP. Are you talking about monitoring? Regarding monitoring I remember talking RMP-Regional Monitoring Program. Is that what you're asking about? Hopefully you can provide additional clues. Thanks.

Sam,

You mentioned the EPM or EMP at the West Coast NEP meeting; which should be active in southern California and presumably of value a relation to our efforts. I'm looking to find out more from you on that subject.

Kindly get back to me at your convenience.

Best wishes to you both!

Tom
